AUTHORIZATION & RELEASE

To the best of my knowledge, the questions on this form have been accurately answered. I understand that providing incorrect information can be dangerous to my child's health. It is my responsibility to inform the dental office of any changes in my child's medical status. I also authorize the dental staff to perform the necessary dental services my child may need. I also authorize the dentist to release any information including the diagnosis and the records of treatment or examination rendered to my child during the period of such care to third party payers and/or other health practitioners. I authorize the office to contact my cell phone regarding treatment and/or billing. I request that my insurance company pay directly to the dentist. I understand that my insurance carrier may pay less than the actual bill for services; therefore, I agree to be responsible for payment of all services rendered on my child's behalf.

- Payment for Services- Payment is required at the time of service. We accept cash, check, Visa, MasterCard debit/credit cards, as well as Care Credit.
- Treatment Plans- All financial arrangements are necessary prior to treatment scheduling. Please ask us to go over any treatment that you want more information on. We do realize that dental terminology can be difficult to understand. We are here to make sure that you and your children feel comfortable with all aspects of your dental experience, including actual treatment and financial arrangements.
- Account Responsibility- As a courtesy to you, we are happy to bill any validated insurance plan. **If your insurance has not paid within 45 days, the balance will be billed to you directly.** The balance of your account is always your responsibility whether your insurance company pays or not.
- Insurance Billing- We request that you carefully read through your dental insurance policy so you are aware of any deductibles, limitations, and exclusions. Some of our services may not be covered under your insurance plan; this means you will be responsible for those fees. **All quotes for coverage are only estimates, not a guarantee of your insurance company's payment.** We cannot guarantee payments due to factors like eligibility, outstanding claims, etc. which can affect the amount of remaining benefits available.
- Usual and Customary Fees- Our fees are based on what is usual and customary in our area for a specialist. We are considered "in network" with certain dental insurance companies, please check with us for a current list.
- Returned Checks- The charge for a NSF check will be $25.00. You must pay in full for the NSF check and NSF fee within 10 days of notice. If the payment is not received by the due date, we will forward the returned check to the District Attorney's office. If we choose to continue care of your family, you will be expected to pay in full at the time of service with cash or credit card.
- Collection Accounts- When your account remains unpaid after 90 days, we maintain the right to refer the account to an outside collection agency. You may be asked to find another provider.
- Appointments- We expect you to accompany your child to our office for all appointments. All other arrangements must be made in advance with our front office staff. We request that you remain in the waiting room during treatment and sedation appointments. The doctor and assistant need to have adequate room to perform treatment and monitor your child during the procedures. If you would like to see your child, our front office staff is always happy to accompany you to the treatment rooms to check in during the procedure.
- Guarantor- The parent who brings in the child initially and signs the paperwork is responsible for the payments to our office. We do not bill former spouses.
- Late arrivals, cancellations, and no shows- Please be considerate to our office as we set aside specific time for your child's appointment. We require 48 hours' notice to cancel or reschedule an appointment. Failure to give proper notice will result in charges to your account. $25.00 fee for the first missed hygiene appointment, and a $50.00 for the second. $50.00 charge for a missed restorative appointment and a $100.00 charge for the second. If a third missed appointment occurs, you may be asked to find another provider.
- After hours availability- Our answering service is available after hours for emergencies, if utilized a $25.00 fee is incurred. Insurance does not cover this service.
- Copies of medical records, x-rays, and other forms- Records requests are generally fulfilled within 5 days. If the request is immediate, a fee may apply.
